AEROFLEX / METELICS RECEIVES DSCC CERTIFICATION

Londonderry, NH – Aeroflex / Metelics received Manufacturer’s Certification in compliance with MIL-PRF-19500N by the Defense Supply Center Columbus for products acquired through their recent purchase of Hi Rel Components, LLC. Due to this acquisition, Aeroflex / Metelics is considered a certified manufacturer and is eligible to qualify and supply JAN, JANTX and JANTXV rectifiers, switching diodes, zener diodes, temperature compensated zeners, current regulators, transient voltage suppressors and Schottky diodes in accordance with MIL-PRF-19500N. Certified assembly packages include DO-7, DO-35, DO-41, DO-213AA, DO-213AB, as well as the company’s A, B, C and D style body packages.

About Aeroflex / Metelics

Aeroflex / Metelics is a designer and manufacturer of a comprehensive line of RF/Microwave semiconductor devices and components such as silicon (Si) and gallium arsenide (GaAs) diodes, germanium tunnel diodes, HBT amplifiers, resistors, inductors, capacitors, switches, and integrated devices. Products are available in wafer, chip and packaged form and fit a variety of commercial, military, and high reliability (hi-rel) communications, electronic warfare (EW) and radar applications. Additional information concerning Aeroflex / Metelics can be found on the company’s website: www.aeroflex.com/metelics

Aeroflex Incorporated is a global provider of high technology solutions to the aerospace, defense and broadband communications markets. The Company's diverse technologies allow it to design, develop, manufacture and market a broad range of test, measurement and microelectronic products. Additional information concerning Aeroflex Incorporated can be found on the Company's website: www.aeroflex.com.

All statements other than statements of historical fact included in this press release regarding Aeroflex's business strategy and plans and objectives of its management for future operations are forward-looking statements. When used in this press release, words such as "anticipate," "believe," "estimate," "expect," "intend" and similar expressions, as they relate to Aeroflex or its management, identify forward-looking statements. Such forward-looking statements are based on the current beliefs of Aeroflex's management, as well as assumptions made by and information currently available to its management. Actual results could differ materially from those contemplated by the forward-looking statements as a result of certain factors, including but not limited to, competitive factors and pricing pressures, changes in legal and regulatory requirements, technological change or difficulties, product development risks, commercialization difficulties and general economic conditions. Such statements reflect the current views of management with respect to the future and are subject to these and other risks, uncertainties and assumptions. Aeroflex does not undertake any obligation to update such forward-looking statements.
